

## **IX. District Rules [ORC Section 3734.53(C)]**

### **A. Existing Rules**

In Section IX of the District's approved Solid Waste Management Plan, effective December 17, 1997, the Board of Directors is authorized to adopt and enforce rules in accordance with all provisions of Section 343.01 (G) (1-4) of the Ohio Revised Code.

Effective May 1, 1999, the Board adopted Rules 1-5 governing the use of solid waste collection system and disposal facilities within the District, which are currently in effect. Appendix I contains the full text of the District's rules.

The District Rules were revised on October 7, 2008 to edit the location of the District Coordinator. The District Coordinator's Office has been moved from the 2900 Columbus Avenue, Sandusky, Ohio 44870 location to 554 River Road, Huron, Ohio 44839 with the mailing address of P.O. Box 469 Huron, Ohio 44839.

### **B. Proposed Rules**

The Board of Directors reserves in this Plan all of the rule-making powers authorized by ORC Section 343.01 (G). The Board of Directors is authorized by this Plan to adopt, amend, rescind, publish and enforce rules in all areas authorized in ORC Section 3734.53(C), to the extent any such rules are determined by the Board of Directors to be necessary or desirable to implement any provision or to accomplish any objective of the Plan.

For the purpose of adopting rules, the Board of Directors adopted formal rule-making procedures in Resolution 94-7, effective July 21, 1994. The formal procedure includes publication of the proposed rule, a public comment period, a resolution of adoption by the Board of Directors, publication of the adopted rule and notification to any parties known to be directly affected by the rule as determined by the Board. Appendix I contains the full text of Resolution 94-7.
